

THE CITY OF ATLANTA BUREAU OF PLANNING

Public forums are underway...we need to hear from you!

The City of Atlanta Bureau of Planning is initiating a series of public forums throughout the City to introduce a new initiative, Project Greenspace: a long-term plan for growing and managing Atlanta's greenspace system. To accomplish Project Greenspace, we would like to work with citizens, communities, civic organizations and businesses to develop a vision and framework for a world-class greenspace system; that connects people with great public spaces, nature preserves, parks, plazas and streetscapes.

Your input is vital to the planning process and will be an opportunity for you to ensure the plan addresses the needs of your community. We must act now if we want to maintain a healthy lifestyle, and an overall quality of life for our communities. We look forward to your participation as we begin the process to embrace your space!

Locations (*All meetings are 7:00pm to 9:00pm*):

Tuesday, January 23, 2007
Magnolia Hall
Piedmont Park
400 Park Drive, N.E.
